Annual Program Objectives:

Upon completion of this activity, participants should be able to:

- Identify and discuss the etiology of the disease entity.
- Recognize and describe the pathophysiology of the disease entity.
- Recognize and discuss the clinical, radiographic, pathologic, and laboratory features for diagnosis of the disease entity.
- Describe the management of the disease entity.

The teaching method for this series is case presentation with question and answer session.

Texas Health Resources is accredited by the Texas Medical Association to provide continuing medical education for physicians.

Texas Health Resources designates this educational activity for a maximum of one category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those credits that he/she actually spent in the activity.

For more information, please contact the CME Department at 214-345-2323.
