Annual Program Objectives:

Upon completion of this activity, participants should be able to:

- Identify and discuss the etiology of the disease entity.
- Recognize and describe the pathophysiology of the disease entity.
- Recognize and discuss the clinical, radiographic, pathologic, and laboratory features for diagnosis of the disease entity.
- Describe the management of the disease entity.

The teaching method for this series is case presentation with question and answer session.

**Texas Health Resources is accredited by the Texas Medical Association to provide continuing medical education for physicians.**

**Texas Health Resources designates this educational activity for a maximum of 1 hour in Category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.**

For more information, please contact the CME Department at 214-345-2323.
