Annual Program Objectives:

Upon completion of this activity, participants should be able to:

- Identify and discuss the etiology of the disease entity.
- Recognize and describe the pathophysiology of the disease entity.
- Recognize and discuss the clinical, radiographic, pathologic, and laboratory features for diagnosis of the disease entity.
- Describe the management of the disease entity.

Texas Health Resources is accredited by the Texas Medical Association to provide continuing medical education for physicians.

Texas Health Resources designates this educational activity for a maximum of 1 hour in Category 1 credit toward the AMA Physician's Recognition Award. Each physician should claim only those hours of credit that he/she actually spent in the educational activity.
